(c) The estimated cost of the improvements or purposes described in Section 3(a) hereof is \$200,000, which is equal to the amount of the appropriation herein made therefore, the excess of the appropriation of \$200,000 over the estimated maximum amount of bonds or notes to be issued therefore being the amount of said \$10,000 down payment for said purposes.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the Chief Financial Officer of the Borough, provided that no note shall mature later than one (1) year from its date. - (b) The average period of usefulness of the improvements or purposes, within the limitations of the Local Bond Law and taking into consideration the amount of the obligations authorized for said purposes, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is twenty (20) years.

- (c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Borough Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such Statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$190,000 and the obligations authorized herein will be within all debt limitations prescribed by that Law.
- (d) An aggregate amount not exceeding \$40,000 for interest on said obligations, costs of issuing said obligations, engineering costs, legal fees and other items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included as part of the cost of said improvements and is included in the estimated cost indicated herein for said improvements.
- (e) To the extent that monies of the Borough are used to finance, on an interim basis, costs of said improvements or purposes, the Borough reasonably expects such costs to be paid or reimbursed with the proceeds of obligations issued pursuant hereto. This ordinance shall constitute a declaration of official intent for the purposes and within the meaning of Section 1.150-2 (e) of the United States Treasury Regulations.

Section 7. Any grant or similar monies from time to time received by the Borough for the improvements or purposes described in Section 3 hereof, shall be applied either to direct payment of the cost of the improvements within the appropriation herein authorized or to payment of the obligations issued pursuant to this ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are received and so used.

Section 8. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and, unless paid from other sources, the Borough shall be obligated to levy and valorem taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation as to rate or amount.

the DSN is not approved. The Commissioners stated that she should bring that up with the planning board.

Mary Ann Cronheim, 88 Monmouth Drive, asked the Board of Commissioners how many other adverse effects were in the past year. Mrs. Cronheim was advised that each year there are several recommendations. This year was one recommendation to eliminate interfund transfers. Mrs. Cronheim asked about the parking of vehicles west of the basketball courts. Mrs. Cronheim asked about the signs placed at the DSN basketball courts and how they do not conform to the ordinance. Mayor Cohen stated that the signs will be removed.

Isadora Chamlin, 5 Poplar Avenue, stated to the Board of Commissioners that cones have been placed on Hathaway Avenue at the end of the street by the beach, blocking access and feels that this is unfair. Mrs. Chamlin was advised that this is a no stopping or standing area and the cones are there to keep this street clear of vehicular traffic. Mrs. Chamlin also asked who is paying for the running water by the basketball courts. Mrs. Chamlin was advised that all water bills are paid by the DSN.

Mayor Cohen stated that the Commissioners are looking to table the parking ordinance for further study.

Patty Verrochi, 246 Jerome Ave, Ocean Twp., stated to the Board of Commissioners that she is glad the ordinance will be tabled. Mrs. Verrochi also asked that the parking at the CVS by the DSN is poor and if they are busing people to the basketball courts. The Commissioners stated that they are not busing from the CVS. Mrs. Verrochi also asked if there were any empty lots and an idea would be to shuttle people in.

Mayor Cohen asked for any additional comments from the public, which there was none and closed the floor to public comments.
