NEW BUSINESS: Planning Board Reviewed Ordinance 1291 “Expiration of Variance”
Mr. Anderson explained to the Board the Ordinance review process. A discussion ensued amongst the Board. The Board requested that Mr. Anderson advise the Commissioners of their recommendations: Application approvals exceeding one year would be required to appear before the Planning Board for an extension and would require the applicant to re-notice the properties with 200” of the extension request. The Board would consider the extension request as long as the project’s original plans and the zoning within the Borough had not changed. The applicant must show good cause for delaying the project.

There being no further business before the Board, Motions was made and seconded to adjourn at approximately 6:20 pm

The next regularly scheduled meeting will be held in person on Tuesday September 24, 2024.

Respectfully submitted,
Kelly Barrett
Planning Board Secretary
